odd though it may be a mechanics lien has little to do with auto mechanics instead it involves builders contractors and subcontractors materials suppliers and equipment suppliers these are the folks who use mechanics liens a mechanics lien enables workers to collect debts owed for work or materials they ve contributed to a project by making a legal claim on the real estate of an owner the lien ensures that workers don t leave a project empty handed if the owner refuses payment consequently it s important that both laborers and owners understand the ins and

outs of these liens whether a reader is a general contractor a carpenter a lumber supplier or simply a diehard fan of home improvement projects everybody s guide to mechanics liens is the place to go for strategies and answers the book does not cover public property owners and publicly funded projects

an index of state education journals
